The Orchestra has had a very successful year. They participated in the annual Christmas program, the Spring Concert, Music Festival, graduation exercises and one radio engagement.

The Orchestra received an Excellent rating this year at the Music Festival. The critics praised the work of the group very highly. A few of the comments made by them were, "Very nice string quality, good balance." "It is fine to be able to hear inner parts and the light instruments such as the flute." "This is closest to an orchestra sound we have heard today." "Superior balance and I can hear the voicing all the way down." "This is an excellent group and well on the way to being an outstanding orchestra." "Balance and tone quality are superior." Slips in intonation and wrong accidentals kept the group from achieving a superior rating.

The Pep Club this year has done a wonderful job in promoting school spirit.

This large group of peppy students have turned out at all the games and really rooted our teams on to fame.

The Pep Club dances with gayly colored decorations were quite successful.

Our sponsor is Miss Bettijane Stile.
